WELCOME!

We're so pleased to be back in Battersea this autumn, seeing the creative community thriving once again. A very warm welcome to the Affordable Art Fair from me and all the team.

There is no better feeling than the buzz of the fair, with so many people enjoying the atmosphere, making new artistic discoveries, connecting with each other, and finding their perfect piece. The pandemic has been immensely challenging for the cultural sector, and we are proud to be able to support amazing artists and galleries with our platform, both at our Fairs and online.

There's so much to see and experience at the Fair this autumn, so take your time, enjoy getting up close to art – and I hope you find inspiration under our starry roof. Now... let's get buying!

TOP BUYING TIPS

1

DO YOUR RESEARCH

Don't be afraid to ask our expert gallerists for more information on the artworks you like. They are here to help with any questions you have. Knowing more about an artist, their inspirations and their story might make the start of an unexpected collecting journey.

2

CONSIDER YOUR SPACE

Consider the size of your space, the lighting – and aesthetic. Do you have other artworks that need to interact with this piece? Can you get it through the door?! If in doubt, get the tape measure out!

4

UNDER £500

Check out our dedicated hang of top finds under £500, as well as works marked throughout the Fair with blue stickers.

5

FRAME UP

The perfect artwork needs the perfect frame. Visit our Framing Partners, Project Framing, to find out more about setting your artwork off in style.

6

START YOUR COLLECTION

Wealth management firm JM Finn share our vision for making collecting art accessible to all. Visit them at Stand I9 to find out how they could help you.
