WELCOME!

We're so pleased to be back at Nacka Strandsmässan this spring, seeing the creative community thriving once again. A very warm welcome to Affordable Art Fair Stockholm's 10 year anniversary!

There is no better feeling than the buzz of the fair, with so many people enjoying the atmosphere, making new artistic discoveries, connecting with each other, and finding their perfect piece. The pandemic has been immensely challenging for the cultural sector, and we are proud to be able to support amazing artists and galleries with our platform, both at our fairs and online.

There's so much to see and experience at the fair this spring. Take your time and have fun finding tonnes of inspiration – just follow your art!

TOP BUYING TIPS

1

DO YOUR RESEARCH

Don't be afraid to ask our expert gallerists for more information on the artworks you like. They are here to help with any questions you have. Knowing more about an artist, their inspirations and their story might make the start of an unexpected collecting journey.

2

CONSIDER YOUR SPACE

Consider the size of your space, the lighting – and aesthetic. Do you have other artworks that need to interact with this piece? Can you get it through the door?! If in doubt, get the tape measure out!

4

UNDER 5000 SEK

Check out our under 5000 SEK artworks, marked with green stickers throughout the fair.

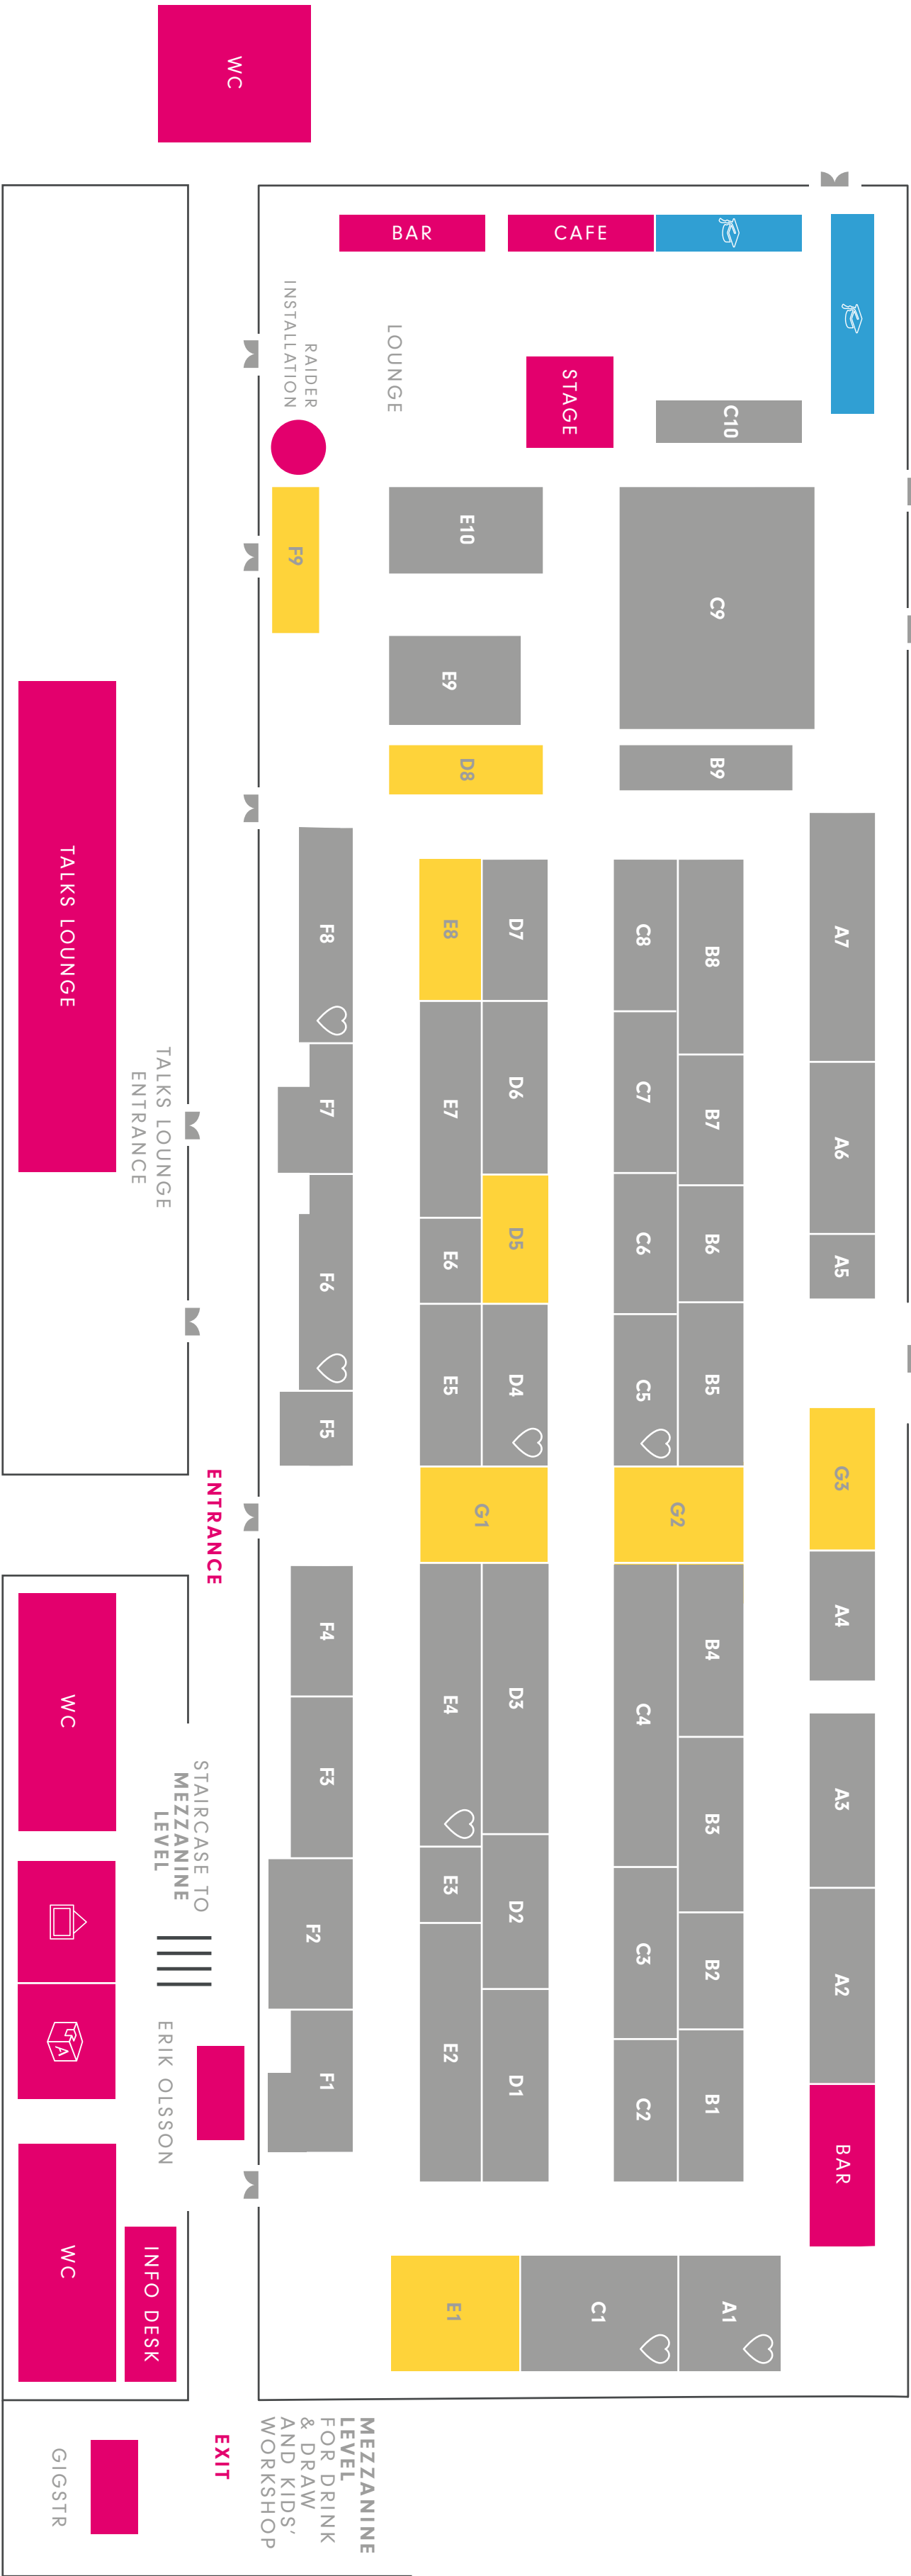

5

FRAME UP

The perfect artwork needs the perfect frame. Visit our Framing Partners, Fotorama, to find out more about setting your artwork off in style. Find Fotorama on the fair map.
