

FAIR GUIDE & MAP

8 – 10 SEPTEMBER 2017

Temple Meads, Bristol

**Affordable
Art Fair**

WELCOME

Summer might be sliding away but we are super excited to be back in Brunel's Old Station for another edition of the Affordable Art Fair Bristol this September.

New for 2017, we've partnered with Clifton Fine Art, local fair artist Alex Lucas, and the Simplyhealth Great Bristol Half Marathon to create a bespoke design for the race finisher t-shirt. As this year's Artist in Residence, Alex will be at the fair hand-finishing a limited edition run of prints created from the specially commissioned t-shirt design. So whether you want to get your hands on a truly original artwork, or gift it to someone running in this year's race, this is an opportunity not to be missed!

In another first for 2017, visitors looking to snap up an artwork by the next big thing will enjoy our Recent Graduates' Exhibition, featuring six of this year's University of the West of England's graduating class.

Continuing our support of local initiatives, we're proud to announce Studio Upstairs as this year's fair beneficiary. Be sure to swing by their stand and find out more about the vital work they do to provide support to people who are experiencing enduring mental or emotional difficulties, through creative community.

With so many highlights at this year's fair, we are sure you'll find all the inspiration you need to leave with an artwork under your arm. Seasoned collectors returning to the fair will find an array of new galleries including Capital Art London, Magic Easel from Berkshire and Bruno Dahl from Denmark, to mention but a few. So, with more artists under one roof than any other art fair in the South West, our expertly curated showcase of original contemporary art from a host of galleries is sure to inspire you to find the perfect piece to fall in love with!
