Themed 'new media', this year we invite artists from Hong Kong and the Greater Bay Area. Exhibiting artists are Dony Cheng, Zac Choy, Gum Fung, Samson Wong, June Wong, Qian Honglin, Sun Yujie and Sikey Wong.

Young Talent項目為35歲以下藝術家提供活躍於公眾前的平台，本年度以新媒體為題並邀請來自大灣區的藝術家。參展藝術家包括鄭虹、蔡錦鳴、馮淞淵、黃百亨、黃小玲、錢泓霖、孫羽潔及黃思祈。

SPECIAL PROJECTS

Bringing a dynamic element to the fair, the special projects include large-scale installations such as a light sculpture by Azerbaijan artist Rashad Alakbarov, a Kinetic Albatross by creative digital studio The Collective, a light installation of mythical creature Pegasus by Stefan Yordanov and a video installation portraying Hong Kong by Greek artist Yiannis Biliris from Visual Suspect.
