## ABOUT AFFORDABLE ART FAIR

Welcome to the Affordable Art Fair Melbourne! We are a global family of fairs in 10 cities around the world from Hamburg to Hong Kong, New York to London and now Melbourne. Our Melbourne fair has over 50 Australian and international galleries under the Royal Exhibition Building dome and 1,000s of artworks priced between \$100 to \$12,000 from artists around the world.

Our aim is to disrupt and demystify the world of art, and over the course of 20 years we have helped more than 500,000 artworks find happy homes. We want to inspire art lovers and established collectors alike to discover new artists, connect with our galleries and build a collection.

We suggest you to relax, unwind and immerse yourself in an art adventure. Make sure you check out Young Talent Victoria to spot our local rising stars as well as the surprising Special Projects around the fair. Our Creative Hub is also a highlight for young and old to flex those artistic muscles. Don't forget to check out our tour schedule for a more personal experience.

## CREATIVE HUB ACTIVITIES

Our interactive Creative Hub focuses on art and mental wellness with art activities designed to help express emotions, unleash creativity, and start conversations. Activities are expertly designed with art therapists and encourage young and old to relax with mindful colouring, let go with Shred it or Save it, take a moment for gratitude with our wishing tree, and just have fun!
