## WELCOME

Hello and welcome to the  
spring 2026 edition of  
**Affordable Art Fair, Battersea.**

It feels great to be back in beautiful Battersea Park for what promises to be an amazing fair. Our community of 115 galleries and thousands of artists have been busy getting ready for 2026, from meticulous hours creating new work you'll find across the fair, to the steadfast logistics needed to bring them from every corner of the globe here to London. And whilst I'll be impressed if you manage to visit all of our exhibitors, do take your time to see and chat with as many as you can.

We have a fantastic programme on show for you this week, from our **International Women's Day exhibition** celebrating powerful work by inspiring female artists, to a new installation **Springtime by Programme Artists Relton Marine** in the fair's entrance. Keep an eye out for our curated displays, including top **Finds Under £500** and a **spotlight on debut artists in Fresh Perspectives**. Our audio guide can also help steer you in different directions, with an interactive digital map to guide the way. Head to the Info Desk and we'll get you set up.

I hope you have a wonderful visit!

# 2

### SPEAK TO GALLERISTS

Chat with our gallerists to learn more about the pieces you're interested in, ask questions, and take pictures. The more informed a purchase you make, the more treasured!

There are plenty of artworks under £500 at the fair. Look out for our curated displays or keep an eye out for the blue stickers on gallery stands, marking artworks under £500.
