WELCOME

Welcome to the 13th edition of **Affordable Art Fair Hampstead!** It's always exciting to be back on the Heath, hosting the only event of its kind in this beautiful setting. And what a fair we have in store for you.

You'll find plenty to inspire you from our community of over **100 galleries and artists**, all of whom have been working hard behind the scenes, creating new artworks and bringing them from across the globe to London.

This edition, I'm particularly excited to introduce **Ceramics Unbound**, our inaugural ceramics exhibition curated by **Caroline Jackman**. Featuring 27 artists, this new section reflects the rise of ceramics as a medium and celebrates the artists defying expectations of what it can be.

Don't miss our **curated displays** either, from **hidden gems under £500** to a powerful **spotlight on women** in partnership with AJ Bell Money Matters, and our popular **Children's Art Competition**. Be sure to stop by our **fair bookshop** too, perfect for picking up a little extra inspiration to take home. And this year, St-Germain is taking over our **Treetop Terrace**, so there's plenty of reason to linger!

Take your time, soak up the atmosphere, and hopefully find something you love. Have a fantastic visit.

5 TOP TIPS FOR BUYING ART

1 CONSIDER YOUR SPACE

If you're looking for art with a particular space in mind, it helps to have your measurements to hand, and photos or swatches of the colour scheme.

2 BE OPEN MINDED

Some of the best art discoveries happen by surprise. Don't feel you need to arrive with a plan. Wander, explore, and let yourself be drawn to whatever stops you in your tracks. You might just find something you never knew you were looking for.

3 SPEAK TO GALLERISTS

Chat with our gallerists to learn more about the pieces you're interested in, ask questions and take pictures. The more informed a purchase you make, the more treasured!

4 HUNTING ON A BUDGET?

There are plenty of artworks under £500 at the fair. Look out for our curated displays or keep an eye out for the blue stickers on gallery stands, marking artworks under £500.

5 SPLIT THE COST

Split the cost of your chosen artwork(s) into 10 manageable instalments with **Own Art**. Just visit the Own Art desk in the entrance to find out more.
