# BRIT-ISH EXHIBITION

As a UK-born company, **Affordable Art Fair** collaborates with the **British Consulate General Hong Kong** once again this year, presenting a UK Graduate Exhibition with artworks hailing from the United Kingdom, and curated by Affordable Art Fair UK Fair Director, **Hugo Barclay**.

作為一家源自英國的品牌，**Affordable Art Fair** 今年再次與英國駐香港總領事館攜手合作，呈獻 UK Graduate Exhibition，展覽匯集來自英國的藝術作品，並由 Affordable Art Fair 英國展會總監 **Hugo Barclay** 親自策展。

# PIECES OF HONG KONG – PHOTOGRAPHY EXHIBITION

*Pieces of Hong Kong* brings together **6 Hong Kong-based artists**, each with a distinctive way of interpreting the city in their images. Hong Kong is never one thing: it is a skyline and a street corner, a hurried commute and a quiet courtyard, a neon-lit night and a rain-washed morning. Whether you're a longtime resident or encountering the city from afar, the exhibition offers a way to connect emotionally with Hong Kong through composition, texture, colour, and memory.

By promoting photography as collectible art, it invites audiences to **bring a piece of Hong Kong home**: a personal viewpoint, a preserved feeling, a lasting reminder of a place that continues to evolve. The exhibition honours Hong Kong's beauty and complexity, and it champions **photography** as a medium worthy of attention, admiration, and collection.

## 香港攝影展

六位香港攝影藝術家，六種城市解讀。

香港從來不只一面：天際線與街角、匆忙與寧靜、霓虹夜與雨後晨曦。無論您是本地人還是遠方觀者，這個展覽將透過影像、質感、顏色與記憶，讓您與香港產生情感連結。每幅攝影作品都是可以帶回家的藝術，都是一份視角、一段情感、一個對變遷中城市的不變記憶。

本展向香港的美與複雜致敬，亦盼攝影成為值得珍視與收藏的藝術。
